

Elementary Game Craft Field Trips

Field trip experiences take place on Thursday each week.

Schedule is tentative and subject to change.

June 29 Mox Boarding House (Bellevue). We're kicking off Game Craft with a trip to Mox to check out their *huge* selection of board games for design ideas and inspiration. Players will get to participate in several demos of games before breaking for lunch.

July 6 Bike Hike (leave from CRMS). This week players are riding their bikes 3.0 miles along the Cedar River trail to the nearby Maplewood Roadside Park. We leave first thing in the morning and spend the day there playing a wide range of outdoor games, and deploying some of the physical games students designed during the week. Make sure to bring the student's bike AND helmet the day of.

July 13 ACME Bowling (Tukwila). Steerrike! The ultimate test of dexterity and patience! Players are going bowling this week, teaming up in small groups to improve their game.

July 20 Chalet Theatre (Enumclaw). Players are headed to the theater this week to watch a movie on the big screen. We'll be having lunch at the Enumclaw Park across the street.

July 27 8-Bit Arcade (Renton). We're going old school this week as we visit the arcade! Players get to check out the classics and play pinball on their vast collection of machines, Tetris, Pacman and many more! Each player will be provided with quarters.

August 3 Sno-King Ice Arena (Renton). Students are going ice skating this week! Working on balance and coordination to skate the rink. We're having lunch at the rink, and spending an hour on the ice.

August 10 In-House (CRMS). Gaming experts will visit our players to demonstrate their skills and show their projects. Bring your questions for these expert gamers!

August 17 Mox Boarding House (Bellevue). We're headed back to Mox at the end of the summer! The students have been working hard on their game designs and prototypes all summer. Students who have complete and polished games will be getting to demo their games to the public at Mox.

August 25 Henry Moses Aquatic Center (Renton). We're finishing the summer with a trip to the waterpark! Our players have been hard at work honing their swim skills in preparation for the swim show. It's time to take a break and check out the slides and the wave pool.

Theme Week Field Trips

Off-site field trips for Theme Weeks will be determined near the start of each week and are scheduled to take advantage of the best weather and traffic conditions for the field trip locations.
